

Prayer Against Coronavirus (COVID-19)

God of grace and God of mercy, we extol and exalt Your holy and righteous name. We bow down and submit to Your authority and rule over our lives. You said that if Your people who are called by Your name will humble themselves and pray and seek Your face and turn from our wicked ways, then You would hear from heaven and You would forgive our sin and would heal our land. Lord, forgive our sin of injustice towards black, brown, and poor people. Forgive us for caging and separating families of foreigners entering our land. Forgive our sins of wickedness and indifference toward others. Your Word says that the blood will be a sign for us on the places where we are and that when You see the blood, You will pass over us. No destructive plague will touch us when you strike the land. We plead the blood over your people all around the world. We plead the blood over wherever Your people are, their children, and grandchildren and great-grandchildren, their loved ones, and the elderly. We plead the blood over health care workers, chaplains, those cleaning and sanitizing hospitals and nursing homes. Grant Your people in leadership, wisdom, and strength. Your Word says, Jesus was pierced for our transgressions, crushed for our iniquities, and the punishment that brought us peace was on Jesus and by the wounds of Jesus, they are healed. We call for the healing of those diagnosed with COVID-19. God, You are our refuge and strength an ever-present help in times of trouble. Your spirit does not make us timid but gives us power, love, and self-discipline. For those who are experiencing fear and anxiety may the peace of God, which transcends all understanding, guard our hearts and our minds in Christ Jesus. We pray that we would have access to the leaves of the tree which is for the healing of the nations. This we pray in the name and power of Jesus Christ our Lord and Savior.
