HEALTH DEPARTMENT

The "Dose Saver" Waiting List

What is the "Dose Saver" Waiting List and How Does it Work?

The McLean County Health Department (MCHD) maintains a "Dose Saver" waiting list, and we'd like to expand it. In order to avoid unclaimed, open doses of the COVID-19 vaccine during our daily clinics, we maintain this list to identify individuals who may be called on short notice. We are looking for individuals who, in most cases, can be quickly scheduled for that open dose and arrive at the clinic within a given time frame.

Would you or someone you know be interested in joining this waiting list? If so, please call the MCHD COVID Call Center to speak to a representative. They can give you more details, answer any questions you have, and get you signed-up if it sounds right for you. And thank you for considering our "Dose Saver" waiting list.

The COVID Call Center

(309) 888-5600

**Open Monday-Friday
9am-4pm**

Evenings, Weekends, Remote Locations & Drive-Through Clinics: MCHD Makes Getting a COVID-19 Vaccine Easy:

Getting a COVID-19 vaccine is easy and convenient. If you have not received a COVID-19 vaccine, check out our clinic registration page. It lists places, times, types of vaccines, and all the details you need to make your appointment. It even includes a "how to" tutorial in English and Spanish, so you can be absolutely certain you have successfully completed your appointment registration.

Limited or no computer access? No problem.
