The Power to Be Effective Luke 24:49

Wayman AME Church
803 W. Olive Street
Bloomington, IL 61701

We are thinking of our Pastor and trusting God for her miracle healing. As treatments present additional medical liabilities, prayerfully consider a love offering to assist with her out-of-pocket medical expenses. You can give using the Givelify app and choose "other" category, or if using an envelope designate "love offering."

Exercise wisdom and continue to wear your mask, physical distance, wash your hands, and use hand sanitizer. Be safe!

New!! 14 Oct 2021 Exploring Wicked Problems

The Center for Civic Engagement is excited to once again host our Exploring Wicked Problems series! Later this month we'll dive into conversations around health inequities and the social determinants of health.

Given that so many of our community partners are impacted by this topic, I wanted to personally invite you to attend two of our events that are open to the community.

A Virtual Presentation by Dr. Ngozi Ezike

On Tuesday, **October 19 at 6:00 p.m.**, Dr. Ngozi Ezike will speak on health equity in Illinois.

Ezike is the director of the Illinois Department of Public Health and has become a recognizable leader in the state's fight against COVID-19. Her virtual talk, "Exploring Health Equity in Illinois: Discussing the Vision for the Future," will explore health equity, not only in definition, but also how equity looks in practice. She will also highlight the state's health improvement plan to identify key issues and action steps to address health equity in Illinois as well as discuss the impacts of COVID-19 and health equity related to health care access, health disparities, and building trust in Illinois communities.

A question and answer session will follow her presentation.

This event is free and open to the public, but [registration is required](#).

This event is co-sponsored by the Department of Health Sciences along with University of Illinois Springfield's College of Public Affairs & Administration and the Center for State Policy & Leadership.

Campus Community Deliberative Dialogue

On **October 26 from 7 to 9 p.m.**, the Center for Civic Engagement will host a Deliberative Dialogue on the cost of health care. Deliberative Dialogues are guided conversations on a political or controversial topic. This model of conversation removes polarizing positions and one-sided lectures by simply asking participants to investigate specific solutions to an issue through the help of an issue guide and facilitator.

Campus and community are invited to attend and deliberate the question, "[how can we bring costs down while getting the care we need?](#)" The corresponding NIFI Issue Guide will direct the conversation.

The event will take place in the Bone Student Center, Brown Ballroom II. [Pre-registration is required](#).

More information about both of these events can be found on the [CCE website](#).

We encourage you to attend as well as share with your networks within the community.
