New!! 10 Feb 2022 Urgent Request: Capital Campaign Fund!!

The trustees have decided to have a structural evaluation of the building performed by structural engineers. This evaluation will cost anywhere from \$12,500 to \$15,000. These costs can be reduced by the amount of structural information we can supply. We ask that you give generously to the Capital Campaign Fund. We are planning a Church Conference in February to discuss the church building.

problem. They have received bids on removing the drywall infected with mold. We are seeking the professional opinion from a structural engineer as to the origin of the water intrusion. **We ask that you give generously to the “Capital Campaign” so we can repair the building and return to worship.** We will inform you when we have a better handle on the amount needed. Pray for wisdom and the resources to remediate and repair the damages. Also, you have several options for giving your tithe and offering. Electronic bill-pay through your bank, mail it to the church 803 W. Olive Street Bloomington, IL 61701, Givelify, or give through the website wayman-amec.com.

- We are thinking of our Pastor and trusting God for miraculous healing. As treatments present additional medical liabilities, prayerfully consider a love offering to assist with her out-of-pocket medical expenses. You can give using the Givelify app and choose “other” category, or if using an envelope designate “love offering.”
