SCHOOL "CLASS OF
1976"

Resolution in Loving Memory of Reverend Dr. Bridgette Black

We, the class of 1976, West Side High School, Gary, Indiana, express our deepest condolences and respect for our classmate, senior class president, and friend, Reverend Dr. Bridgette Black, a shining light.

Whereas; Reverend Dr. Bridgette Black demonstrated undying faith in Jesus Christ and reflected His love.

Therefore, be it resolved that we join with the family, as well as the congregation of Wayman African Methodist Episcopal Church, in mourning the passing of your loved one and pastor. Rev. Black loved God and her family, showed great compassion for friends and acquaintances, and had an incredible gift for ministry.

Be it further resolved that we know the deep loss and sorrow that you are experiencing. Know that God will never abandon you during your time of grief. We share in your sorrow, but recognize that the Lord has accepted into his presence a good and faithful servant, where she will rest until you see her again.
