Friend,

Thank you for joining the NAACP in our movement to improve, protect, and change our community for the better.

As a member, you have a critical role to play in advancing our vision to bring an end to the structural racism that plagues our country's infrastructure, from education and healthcare to the policing of Black neighborhoods. With your recent, generous contribution, you have added your own energy, determination, and commitment to that fight – boldly declaring #WeAreDoneDying.

Today, you join a growing number of activists and change-makers fighting to dismantle the systemic racism and inequality embedded throughout our society. As you become a part of our nationwide advocacy network, you've also become a part of our country's history, laying the foundation for a future that upholds our founding principles of liberty and equality for all.

Carry this card with pride, knowing that your membership brings us one step closer to actualizing the world we believe in – a world where justice, equity, democracy, and freedom are the pillars that hold our nation up.

Friend, if we are to have any hope of a better future, we must pledge to empower and mobilize our communities to vote, and to fight for reform and accountability from the systems that ought to serve us. To learn more about other ways you can stay informed and get involved, please visit www.naACP.org.

Congratulations on your membership; now let the work begin.

In solidarity,

Derrick Johnson
