Tithes and Offerings Information

- May God continue to bless you so that you may be a blessing. This past summer, in late June, the city was flooded. Wayman AME experienced water intrusion that led to mold. The trustees are working on remediating the problem. They have received bids on removing the drywall infected with mold. We are seeking the professional opinion from a structural engineer as to the origin of the water intrusion. **We ask that you give generously to the "Capital Campaign" so we can repair the building and return to worship.** We will inform you when we have a better handle on the amount needed. Pray for wisdom and the resources to remediate and repair the damages. Also, you have several options for giving your tithe and offering. Electronic bill-pay through your bank, mail it to the church 803 W. Olive Street Bloomington, IL 61701, Givelify, or give through the website wayman-amec.com.
